

NBC TOWER

NBC Tower stands as a beacon of thoughtful, postmodern architecture in a world-class location. Tucked in behind the hustle and bustle of Michigan Avenue, the building presides over an expansive 50-acre development that boasts intimate views of the river, lakefront and skyline. And yet, a world's worth of urban accommodations lie in wait steps away. NBC Tower is ideally situated, linking Chicago's Near North Side to the Loop. Clients and visitors alike will be in awe of the quiet respite intrinsic to this Chicago icon.
