

Sign Up For On Solve - Send Word Now

Send Word Now is an emergency broadcast system to send out live texts or alerts in the event of an emergency in the building.

Please make sure the Tenant Contact Form on file with the Office of the Building is up-to-date. This is crucial to ensure all information is reaching tenants. Look out for a test alert in November.

All tenants are welcome to join Send Word Now to receive notifications of emergencies. If you would like to be a member, contact the Office of the Building at NBC.Tower@jll.com.

The Tenant Contact Form can be found [here](#).
